Homework Assignments to receive credit
Email attachment to cs4hs@cs.washington.edu
Due by: August 21st

**Homework:**

Write a reflection paper (at least two pages) on the CS4HS workshop. Please include the following:

1. What aspects were the most helpful?
2. What would you change?
3. How will you incorporate information learned in our workshops into your courses this year?
4. Include a specific lesson plan that incorporates these concepts into your teaching.
